CALGARY POWER CO. LTD.

GARDENING AND LUMBER

We don't claim our lumber was grown in a garden, but we do look after our Lumber, just as you look after your Garden. By this we mean that we sort and pile it carefully and what is also important, we endeavor to sell you the right kind of Lumber for the purpose intended. Whether you want an Ornamental Fence or just a Clothes Post, or even a few Plant Stakes, we endeavor to sell you the proper materials at a fair price and deliver it promptly.—whether the order is large or small.

CALGARY, ALBERTA

GENERAL RULES AND REGULATIONS

1. The Judges' decisions shall be final. Judges shall withhold prizes where exhibits are not considered worthy of an award, or they may award only second, or third prizes. In the case of two exhibits being adjudged equal first, the first and second prizes will be divided between the winners, the next in order of merit taking third, if third prize is offered. Precisely the same principle will apply to equal seconds, in which case there will be no third. If two competitors are equal third, a duplicate third will be given.

2. The Directors shall act as arbitrators before the close of the Exhibition and settle all disputes and protests that may arise under Rule 7. All protests must be in writing and in the hands of the Secretary or Superintendent before 9 p.m. the first day of the show accompanied by a fee of \$5.00, which will be forfeited if protest is not sustained.

3. All persons shall be entitled to exhibit, except as otherwise specified in certain classes.

4. All entries, accompanied by the necessary fees, must be made by letter postmarked August 19th or delivered to the Secretary, J. Gray, 1023-17th Avenue East, Phone E5523, not later than 10 p.m., Monday, August 19th. All entries to be made on entry form found in prize list.

5. All exhibits shall have attached to them the tag provided by the Society. Exhibitors may stage their exhibits Thursday evening between 7 and 10 o'clock, and must be staged not later than 11 a.m., Friday, the first day of the Show.

6. Exhibitors will not be permitted in the Exhibition building during the judging.

7. All exhibits must be the property of exhibitors and must have been in their possession for at least two months previous to the time of showing. Amateurs may purchase cut flowers and material for design work. Any attempt at imposition or mis-statement of fact, or any refusal to furnish, on request, satisfactory proof and particulars, will disqualify competitors for present and succeeding shows of this Society. After the entries have been made in the Collection of Vegetables and Flowers the Directors reserve the right to appoint a committee to visit and inspect the gardens of competitors.

8. No competitor shall make more than one entry in each class, or be allowed to compete with the same exhibit, or any part thereof, in more than one class, unless otherwise specified.

9. In classes where a number is specified, as for instance, "Six spikes of Sweet Peas," more or less than the number required will disqualify. Where a collection of flowers is called for, an arrangement of individual species in separate receptacles will have the preference. Bouquets must not be too loosely arranged in a receptacle, but must be tied-up bunches. Pot plants must have been grown in pots at least two months prior to the date of the Exhibition.

10. At the discretion of the management plants or flowers infested with disease or pests shall be excluded from the Exhibition building.

11. Professionals shall compete in open classes only. Amateurs may compete in both amateur and open classes. Novices may compete in all classes. Novices shall be those who have never won 5 first prizes at an Horticultural show.

12. For the purpose of this Exhibition, professional gardeners shall be those employing gardeners regularly, florists, nurserymen (or assistants of either), gardeners who are receiving wages as such, or have been professional gardeners at any time, and persons growing produce for sale. This rule shall apply equally to all the adult members of a family.

13. Amateur gardeners shall be those who grow garden produce solely for their own enjoyment and use, without the aid of regularly employed professional gardeners.

14. It must be distinctly understood that all exhibits are shown at owner's risk, and that the Directors, whilst taking all reasonable precautions, are not to be held responsible for any loss or damage.

15. No exhibit or part thereof shall be removed from the building until 10 o'clock the closing night of the Exhibition.

16. Members are entitled to all privileges of Society and free admission to Show on presentation of membership card at any time.

17. Non-members of the Society can enter in all classes on payment of double entry fee.

18. In case receipts from the Show are insufficient to meet full payment of prize money, the Society will guarantee payment to the extent of 80 per cent of gross receipts from the gate, pro rata among prize winners.

19. Wiring of flowers, except in decorative classes, is not allowed. See that holders or spreaders do not protrude above the receptacle. Flowers that close at night are not suitable for table decorations. Comet types of Asters include the following varieties: Crego, Rochester, Ostrich, Mikado and Asternum.

20. All cut flowers may be shown in own receptacles if desired. Otherwise milk bottles will be provided by the Society.

21. The Directors reserve the right to substitute cups, medals or merchandise for prize money if deemed advisable.

22. All perpetual trophies to be returned to the Secretary two weeks before the Annual Exhibition

HOME GARDEN COMPETITION

Entry Fee—50c

No flowers or vegetables to be planted after July 16th for competition in the Garden Classes.

No competitor shall make more than one entry in each class, or be allowed to compete with the same exhibit or any part thereof, in more than one class, unless otherwise specified.

Novices shall be those who have never won a first prize in a Garden Competition.

814 FIRST STREET WEST

CALGARY, ALTA.

NOTES ON EXHIBITS AND JUDGING

CUT FLOWERS

As there is a wide diversity of form, size and color in flowers, study the type of the different varieties and select specimens conforming most nearly to it. The foliage as well as the bloom should be free from all blemishes caused by insects, disease or other causes.

Form—Refers to the normal shape of the variety, when fully developed.

Size—The largest flowers are not necessarily the best. Abnormal size is often a sign of coarseness. If, however, a flower is up to the standards in other respects, size is the important factor.

Color—The normal color of the variety at its best. Immaturity, wilting, fading or staleness are serious defects. Many flowers develop the highest and most delicate colors if picked in the bud in the morning and opened in a cool, dark place. Early morning is the best time to pick flowers for exhibitions. Injury caused by insects, disease, etc., may effect the color.

Stem—Length, stiffness and straightness of stem, well-furnished with foliage its entire length, is of the greatest importance.

Foliage—Large, clean, fresh, healthy foliage. The flowers' own foliage is usually sufficient.

Substance—Refers to vigorous growth and good texture.

Uniformity—Refers to the similarity in size, form and general appearance of all specimens of the same variety exhibited in one section.

1. Size.....	15	6. Foliage and arrange-	
2. Color.....	20	ment.....	15
3. Stem.....	20		
4. Form.....	15	Total.....	100

The Calgary Gladiolus Society

(Affiliated with the Calgary Horticultural Society)

H. TURNBULL, *President*

R. S. DENNIS, *Secretary*

ENTRANCE FEES

Fee per entry, 10 cents in all classes.

INSTRUCTIONS AND INFORMATION

Novice is an individual who, to date, has not been awarded a first prize in open Gladiolus Sections and has not been awarded a grand champion ribbon or six first awards in the novice sections.

Exhibits must be staged by 11 a.m. on the opening date of the show. Any exhibit staged in wrong class will be disqualified. Stewards will be present to advise exhibitors in properly placing and staging exhibits. (Canadian Gladiolus Variety Symposium of 1939 to govern.) Except Red Lory must be shown in C.V.S. 21 and Vagabond Prince C.V.S. 18.

Name of exhibitor shall be attached to all exhibits, name of varieties shall be attached to all exhibits other than collection of 25, vase, novice and basket classes, but name of exhibitor shall remain undisclosed until judging is completed.

Wherever figures appear in brackets after the word "Class" (and figures), same refer to sections of the 1939 Gladiolus Variety Symposium. Refer to said Symposium for guidance when staging exhibits.

In Basket and Vase Classes, exhibitors may decorate with any class of foliage (including statice or Gypsophila). Baskets and vases trimmed all around will be given preference over one sided decoration. Note—Ribbon may be used on baskets if desired.

There will be no limit to the number of entries in the Gladiolus Sections, but in the single spike classes each entry must be a distinct variety.

Ribbons will be awarded to all winners.

Single Spikes when staged not to exceed the following proportions: Flower Head, 40%; balance of Spike, 60%; but may be shown in even proportions without penalty.

For further information, telephone R. S. Dennis, Secretary, W2830.

Hospitals will appreciate flowers at any time.
